Diepoldsau, 3rd March 2022

Dear Sir or Madam,

We are pleased to inform you that we took over the operational business of Saurer embroidery in an asset deal on 1st of March 2022.

We would like to welcome the Saurer embroiderers to the LÄSSER family and thank our valued LÄSSER customers for their trust and confidence.

As of now, Saurer machines will be renamed, and their sales will be handled by Swiss Embroidery Solutions AG (SES AG). Machines and spare parts will be dispatched and processed from our location in Diepoldsau, Switzerland.

The sales and the service department are in a process of reorganisation. We would like to apologize in advance for any inconvenience during the transition period and kindly ask for your patience.

We are looking forward to our further cooperation and are at your disposal for any additional information.

Yours sincerely,

LÄSSER AG – SES AG
